**Fund the Mission**

Premature birth is the leading cause of death in children under 5, worldwide. In addition to, or in lieu of a sponsorship contribution, a 100% tax-deductible donation can be made to support the work of March of Dimes.

With a donation, you can help fight premature birth through March of Dimes-funded research and education programs.

Companies have the opportunity to provide a donation that can serve as a Leadership or Matching Gift, both offering company recognition and visibility in your alignment with our important mission.
